

HMT Online Class - **Student Manual**

Homework Bundle

HMT will notify parents when Week 1 – 5 homework booklets and answers will be available for parents to pick up. Please collect homework from our **Main Centre between 11:00 am – 5:00 pm (Mon – Fri)**.

Week 6 – 10's homework bundle will be available around the end of Term 4 Week 4.

Please do not start or complete the homework in advance. Wait for the week's lesson before viewing the respective homework booklets.

Class Structure

We will be using Webex to conduct our classes. Similar to our Physical Main Classes, our Online Classes will be a total of 2 hours.

Meeting ID will be generated on the day due to security reasons, and will be sent to your registered email 30 minutes before class begins.

Please [login with your child's name before class](#) to ensure class will be able to begin on time.

Equipment

Please prepare the following for the online class:

- Computer / Laptop
- Speakers / Headphones
- Microphone
- Webcam (optional but recommended)

Please Note:

Twins may need two computers. To receive two separate invites, please provide us with two different emails; one for each child.

Homework Submissions

During this period affected by COVID-19, HMT will **not** be marking Maths homework.

(Parents please mark using the answer booklets provided)

Online Class Enquiries

Please do not reply to the Webex class invitations as those emails will not be checked.

Should you have enquiries at any time, please call us on 9585 1866 / 9579 1034 or email us on

hurstvillehmt@gmail.com.

We thank you for your participation and cooperation with our online classes!
